DISPERSAL SALE

Cedar Lane Stock Farm

30 HEAD
SHORTHORN
CATTLE

ON

Wednesday, Dec. 10th

1.00 P.M. - 1958

at the Farm, St. Marys, Ont.

1 mile West of St. Marys, on No. 7 Highway.

FOREWORD

Shorthorns were established at Cedar Lane Farm in the Year 1896 and have been continuously operated as a purebred herd in the White family since that time. The Shorthorn breed for us has been a profitable, long term, enterprise: if not, our herd would not have been maintained for over 62 years, thusly making it one of the oldest herds in Canada. It is with the utmost regret that a herd with such a long tenure has to be dispersed. We have only one reason for so doing, and that reason hinges on our inability to maintain adequate labour on a farm property that is situated only one mile from a prospering and expanding industrial town.

Our herd has been constructively bred down through the years. We have periodically exhibited at Eastern Canada's major shows and our representatives have given satisfactory results. The object of our breeding operations was always on a quality basis as opposed to mere numbers. The herd is healthy and prolific and we know that these Shorthorns can go on and be profitable investments for whomever the purchaser may be.

No one who has been closely associated with the Shorthorn breed will ever forget Shorthorns: our faith in them will ever remain constant because we know what the breed has done for us in our farm operations. Moreover, our admiration and genuine respect for the many people who have visited Cedar Lane for more than half a century will always endure as one of life's greatest tokens. Our interest in the breed will never cease.

That every animal in the Cedar Lane herd will prove profitable to the new owner and an improver of the breed is our sincerest wish. We hope to see all our friends on Sale Day, December 10th.
